

2018/19 Impact Report

Change Starts with Learning

Partnering with schools and districts to create cultures of adult learning to drive equity in education

Our Impact on Student and Teacher Learning

Top 5 Changes Teachers Make as a Result of Our Work

- ▶ Increased student talk time
- ▶ More opportunity for practice
- ▶ Consistent routines
- ▶ Consistent modeling
- ▶ Use of visual aids and/or tools

Leader Reported Changes as a Result of Our Work

- ▶ Encouraging teachers to engage in productive sense-making conversations
- ▶ Setting a goal for teacher learning that is aligned with our goal for student learning
- ▶ Using data to make the learners' experience visible
- ▶ Engaging as a learner alongside my colleagues

“I honestly do not think I would still be teaching if it were not for Mills Teacher Scholars. In this space, I am seen, heard, and valued as a professional and an expert but also someone who is constantly learning.”

—Teacher, Oakland Unified

BECOME A PARTNER Imagine a school or entire district where everyone approaches their job as a learner and takes initiative to support each other's learning. Our partnerships create the conditions that make this possible. [teacherscholars.org](https://www.teacherscholars.org)
